

## INVOICE

Client : **NAME OF CLIENT**

Year : **2022**

### PROJECT DESCRIPTION

- *For Photography:* Photos taken of property interior and exterior, HDR (High Dynamic Range) post-processing and photo editing, and file management.
- *For Matterport 3D Tours:* Creation of 3D virtual space and guided walkthrough of the property as well as extracted 2D and 3D floorplans from virtual space.

### REPRODUCTION LICENCE GRANTED :

- Grants **NAME OF CLIENT**, working for **REAL ESTATE BROKERAGE**, right to use photos of the current project for marketing, publicity, and promotional purposes via MLS websites, social media, and printed pamphlets, in order to sell or rent the photographed property, until the sale/rental of said property or for a one year term maximum.

The current reproduction licence is only valid for usage and conditions mentioned above. **The usage rights of photos cannot be sold by client to a third party.** All other usage aside from the one(s) mentioned above require(s) a consequent agreement as well as additional fees at the photographer's discretion and must be negotiated with Marc-André Guérin. The photographer reserves the right to use any of the images that stem from this contract for promotional use, and this, no matter the choice of medium. All images or photos remain the intellectual property of Marc-André Guérin, ©Darkstone Photography, 2022.

The current price list will be revised twice a year, on June 1<sup>st</sup> and on January 1<sup>st</sup>. Therefore, there will be no other modification to prices throughout the year, exception made for traveling fees, which may fluctuate with fuel prices. It is to be noted that price revision doesn't necessarily imply a systematic raising of all prices : it is possible for prices to remain stable, for some prices to change while others remain stable, or for a small rise in prices to be noticed across the board to compensate for inflation.
